Re: Grant Application Approval: ***"Telomerase: A Therapeutic Target in Pediatric Brain Tumors"***

Dear Mr. Desserich,

Thank you so much for supporting this research proposal. With this letter, I acknowledge receipt of the grant in the amount of \$75,000 from The Cure Starts Now foundation.

I expect that the study will begin within 6 months of the award date. This study is awaiting final approval by the Protocol Review Committee of the Cancer Therapy Evaluation Program (CTEP).

This study, conducted through the Children's Oncology Group (COG), is designated as study ACN0822. Information about the protocol and how to enroll patients will be posted on the COG web page: [www.childrensoncologygroup.org](http://www.childrensoncologygroup.org) and also at <http://clinicaltrials.gov> as soon as the study opens for enrollment.

Sincerely,

Rachid Drissi, Ph.D.
