The Cure Starts Now
10280 Chester Road, Cincinnati, OH 45215

Dear Mr. Desserich:

We are pleased to accept the transfer award for Dr. Eric Thompson's project entitled *Characterizing and Targeting ABL1 and ABL2 in Medulloblastoma Leptomeningeal Dissemination*. We have the start date listed as August 1, 2024 with the remaining balance on the award as \$63,225.29, as reflected in University of Chicago's final financial report.

Washington University reserves the right to negotiate the terms and conditions of any awarded grant or contract. As an institution of higher education, Washington University intends to perform the work under any awarded grant or contract as fundamental research and reserves the right to deny receipt of any export controlled materials and to reject any restriction on the University's right to publish or otherwise disseminate information relating to this research. Listed below is the administrative official to be contacted should require further information.
